Fix the House!

Teacher's Guide

1

Taking showers longer than 4 minutes

Take shorter showers of 4 minutes or less

2

Turning on the dishwasher when it's only half full

Only run the dishwasher when you have a full load of dishes

3

A leaking hose or a hose without a trigger nozzle

Fix the leaking hose and use a trigger nozzle to stop water flowing when it is not needed

4

Leaky or broken tap

Fix the tap or report it to an adult/plumber

5

Turning on the washing machine when it's only half full

Only run the washing machine when you have a full load of laundry
